

Credit Card Declaration Letter

Dear Mr./Ms.,

FXGM makes it a top priority to prevent credit card fraud and to protect our customers from unsolicited use of their credit cards.

As part of the procedure to avoid fraud, any client who uses their credit card to fund their account must provide us with a signed approval of these transactions. This is standard procedure and applies to all clients, regardless of whether or not they have completed this form in the past for separate credit cards and/or transactions.

Please see the table below and verify that you are indeed the person who made the deposit.

Please print this email, sign it and return it to us via fax or alternatively, you can scan the signed print out and attach it to the reply email.

We appreciate your understanding in this matter.

Name	Last 4 Digits of Card	Date	Amount	Signature

If you have any questions or require further assistance, please do not hesitate to contact our customer support representatives.
